

# MONKEY PUZZLE

September 2018

Dear parents and carers,

I hope you enjoyed a lovely summer break and we have our fingers crossed for an Indian summer!

We have lots of activities planned for this month as we head towards Autumn.

Have a look and see what each room will be getting up to this month.

If you have any questions, please come and have a chat with us!

Best wishes,

Jenna, Jessica, Jesmin and Taibah

## Dates for your diaries!

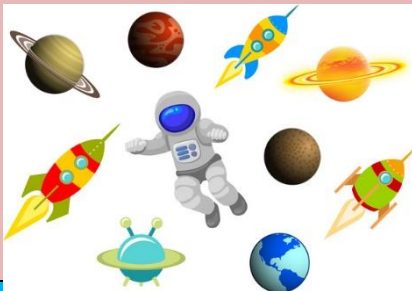

There are no important dates this month but look out for October events next month

# What we will be doing this month!

**THEME: Science and Space**

## Baby Room

This month in the baby room the children will be making paper plate planets, toilet roll telescopes to gaze at far away stars and magical moon sand

## Toddler Room

This month toddler room will be blasting off making shape rockets, trying their hand at colourful splatter painting and learning about working with natural materials

## Nursery Room

Nursery room will be making rockets for little space men and women! They will also be making planets and taking part in a very special science experiment this month

## Preschool Room

This month in preschool room the children will be making sticky slime, working together to build a big rocket and learning all about measuring

# Reminders for parents!

## New office manager

We have a new office manager named Jessica who will be taking over from Alice who is sadly leaving us. Jessica is very excited to get to know everyone and is happy to answer any queries you may have

## Quick reminder

Please can parents remember to label clothes and buggies with children's full names. This helps avoid confusion and loss of property. Thank you!
